Camp P.I.R.A.T.E.S. Living-Learning Community

Program Overview
The Camp P.I.R.A.T.E.S. Living Learning Community (CP LLC) is designed for students who attended Camp P.I.R.A.T.E.S. in August. Camp P.I.R.A.T.E.S. is a three-day, two-night program held in August prior to classes starting. The program welcomes new Pirates to ECU with the purpose of giving them an opportunity to have fun, make friends, and learn more about life at ECU. At camp, students prepare for their first year as a Pirate by participating in activities designed to develop new friendships, learn about resources on campus, embrace the Pirate spirit and traditions, and become part of the Pirate family.

The Camp P.I.R.A.T.E.S. LLC will allow students who attend the camp to remain connected through the year and build on the strong foundation already established. Continued class meetings and events throughout the semester will allow for discussions as transition issues occur.

Program Goals
The LLC also aims to provide students with additional support to allow for an easier transition from high school into a large university. The LLC will offer support for new students with the academic, social, and emotional changes that occur with the transition to college. It will provide a foundation for a successful college experience.

All LLC participants will:

- Be block-enrolled into courses
- Enroll in a COAD 1000 for Camp P.I.R.A.T.E.S. attendees
- Attend informal activities and workshops
- Develop a network of lifelong friendships
